## Post Commander

**Craig Dougherty**

Comrades of All American VFW  
Post 6785,

In this, the first newsletter in many years, it falls to me as the current commander to lend commentary in this re-inaugural version we will be issuing.

It has been my esteemed privilege as commander these past 5 years to watch this Post continue to mature and add to their service resume a hugely well-rounded calendar of events ranging from poppy drives at emerald downs, coffee rest stop at Maytown, to honor guard at Tahoma National Cemetery in an expanded commitment.

We have well stretched our legs a bit going to north Seattle, Kirkland, SeaTac, Mountain View (Lakewood in south Tacoma) cemeteries aside from the several in the Kent-Auburn area as well to render military honors, at times as well heeding the call from other Posts requesting aid with honors, from families as well reaching out.

As commander it has fallen to me many times to field calls from veterans and families to arrange and coordinate this and other type support outside of the national cemetery, however difficult. Our new Post Commander, Walter Tanimoto, is up to these tasks and more when he officially takes the helm of Post Command in July 2021 after the state convention has adjourned.

I urge you all in this Post to step-up and support Commander Walt, for he is it up to these tasks coming

### Quarter 3 - 2021

#### Post Commander – Continued

Post reporting and activity rank in the top 3 of District 11 year in and year out.

The generosity of heart and service is replete amongst the body of comrades in this Post, our camaraderie in service with each other does not rankle, is not quarrelsome or difficult, it is the exact opposite. The cheer and professional Esprit de corps exhibited is not a rare occurrence in Post 6785, it is the rule, the order of the day, it happens with great regularity and dependability! Our Post service officer not only serves our Post membership, but he also is a service officer at the Seattle VA hospital 3 days a week as well. What a blessing he is in service to veterans!

There are many topics of reporting that you will find in the newsletters to come, including VOD, Patriots Pen and Youth Essay competition, sponsorship as well of scouting & youth sports sponsorship activities and such with the Kent City Parks Department.

Community events such as Kent Cornucopia, Veteran's Day parade in Auburn, Memorial Day at Tahoma National just to name a few of those regulars. This year with the covid issues still causing celebration interruptions, we have been asked to travel a rifle team to the Oak Harbor Memorial Day celebration on North Whidbey Island. Many local groups there have come together in this event, we have been asked to supply a rifle team for the military honors portion of the event. We will travel to this event on May 31, 2021 for a 10 am celebration presentation at Maple Leaf cemetery in north Oak Harbor. Honor flight and our support of this good program is above the pale in outstanding service to our elder veterans who paved the way for us all today! We are blessed to be so close to SeaTac airport & give our time and extend honor. Supporting the USO Northwest group in various manner as well is another blessing!

I will save more of the future reporting for our new commander in the next issues, it has been a privilege to serve in this capacity. This Post has earned All American status in 2016-2017, as a post participant in District 11 they have helped earn All American District honors in

2018-2019 and in this current cycle 2020-2021. Comrade RC Sample of 6785 serves as the District 11 Quartermaster presently with Commander Tony Whetstone.

In closing we have lost several comrades dear to us in service these past 5 years, past Post & District Commander Bill Russell, past Post & District Commander Calvin Horman, past Post Commander Duane Hughes, comrade Gene Basler, Past Dept and District Commander Frosty Hulsey, comrade Deford Cochran to name a few . . . God bless them, and their families left behind!

Remember above all comrades, "it is veterans we serve", and we do it with a most joyous heart, even when saying our final farewell. I thank the Comrades of Post 6785 for giving to me each day the honor of serving veterans with each of them, the vigor of those

Greetings,

On behalf of Craig Dougherty the Post Commander at VFW Post 6785, I would like to welcome you to our quarterly newsletter. This issue is a little long, but we hope you enjoy the newsletter, and you are welcome to submit articles and provide feedback.

We will only be mailing this newsletter this one time only. Why? The cost to mail a paper copy is beyond our budget.

The newsletter will be emailed quarterly and posted on our website.

If you wish to receive future copies of the Post newsletter, please send your email address to [vfwpost6785@yahoo.com](mailto:vfwpost6785@yahoo.com)

Email is also our primary means to communicate with you.

I would like to share some notable news with you.

1. VFW Post 6785 will eventually stop meeting at the USAR Center. The USAR notified 6785 that the land

and buildings will be sold. We are not sure of the exact end date but will keep you informed of our new meeting location.

2. Post elections are complete, and I thank Craig Dougherty for his years of service as the Post

Commander at 6785. Craig has led the Post to All State and All American status. This was not an easy feat but is a testament to Craig's dedication to the Post and veterans. Craig is currently the Department Judge Advocate and is the incumbent for the Department Jr Vice Commander for 2021-2022. Please wish Craig the best and thank him for his service! The last page of this newsletter lists the elected and appointed officers for the upcoming year.

3. As COVID-19 restrictions ease or go away on 30 June, we hope to re-kindle our efforts in getting out to the community. Stay tuned for more information about this and we hope you have time to volunteer at these activities.

In closing I want to give a shout out to our Army veterans and wish them a Happy 246<sup>th</sup> Birthday. Since 14 June 1775 the Army has been serving and defending

our country. No matter the challenges the Army has faced along with our nation, Army soldiers and veterans have shown the courage and patriotism to answer the call to serve. Thank you for your service!

This has been a most unusual year for Post 6785 activities, which have been severely curtailed by the Pandemic. Nevertheless, we were able to complete the 2020 Voice of

Democracy competition and submit our entries to District despite some time limitations.

As the newly elected Jr Vice, I had some "catching up" to do. I met with school Principals at some of the schools still in session and with the help of these

### **Jr Vice Commander – Continued**

individuals, we were able to collect a total of 48 entries in the 3 categories.

The Post advanced a total of 15 contestants to District for consideration. From District, two 1st place winners advanced to State one of which finished 2nd.

We had one student, Jacob Jarman (3rd grade) win 2nd place at State. Commander Dougherty and I presented Jacob with his award and plaque during a ceremony at his school, where his parents were in attendance. This was a thoroughly enjoyable experience and we hope to repeat this in the new contest year.

The new 2021 competition has been announced and I look forward to working with our youth on this project.

Well, 2020 turned out to be the “year worth forgetting”. The pandemic closed the VA Facilities to outside activities and all visitors, severely curtailing our support. Perhaps like the some of the old numbering systems (hotels not having a 13th floor), we can skip 2020 and go from 2019 right to 2021.

In any case, our responsibilities remained unchanged, and we searched for different ways to support our veterans at this facility.

Normal support, such as monthly bingo, visiting with the veterans and other forms of on-site support were halted. We are hoping for things to loosen up so we can do our Christmas event at the hospital. The patients look forward to these events, but their safety must come first.

One bright light over the past year was our ability to facilitate the donation from the Department of WA to

provide the Seattle VA Hospital Common Room a brand new 86” LED TV and mount to replace their old 55”. Now patients can view TV from all over the room and remain socially distant. The old TV was repurposed to a room that formally had no TV at all.

Overall, we remain in touch with the staff at the hospital and anxiously await clearance to resume our support activities there. It has been reported by hospital staff that the patients sorely miss our activities.

In addition to direct hospital support, we continue to support veterans by helping to transport them to and from appointments and by providing personal methods of transportation such as wheelchairs and other needed conveyances. We also continue to provide indirect support such as blood donations.

As we move toward the (hopefully) reopening of the Hospital for events such as bingo, I am asking for volunteers to help with the bingo. The patients really look forward to this activity. We need 4 to 5 volunteers to help call the numbers and assist the vets who may not be able to work the cards, as well as volunteers to serve some refreshments. Bingo is a small diversion, but an extremely pleasant experience for our veterans and for those volunteering to help. Please contact me at [r.klug@comcast.net](mailto:r.klug@comcast.net) if you are interested.

Bingo is a once per month event, usually held on the 2nd Sunday (subject to change) of the month between 1300 and 1430 (average).

### **Scouting Corner**

#### **Alan B’Hymer**

Our Kent-Meridian VFW Post 6785 supports the VFW National Scouting Program.

### Scouting Corner – Continued

We currently have two State Scout Team Members. They are: Post Scouting Chair Alan B'Hymer and Scott Eliason, past Chair. Please look for our Newsletter Column for News and Activities. But first, a little background.

The VFW of the United States established several Youth Programs that help instill attributes needed to guide our youth on their path to become our nation's future leaders. These attributes include citizenship, personal responsibility, community service, volunteerism, loyalty and honoring our veterans. Scouting is the perfect youth program because it reinforces these attributes. The Department of Washington Scout Team is charged by the Department Commander to manage the Scouting Program.

If you have any questions or comments, please contact Alan B'Hymer at [alanb91100@aol.com](mailto:alanb91100@aol.com) or 206-898-8251.

### Parades and Honor Formations

#### Alan B'Hymer

Kent-Meridian VFW Post 6785 is proud to provide Honor Guard Services for Veterans.

We also have an active Parades and Honor Formations Color Guard Team. Throughout the year our Color Guard participates in many Community events and Parades. A couple of the larger Parades we annually support are the Kent Cornucopia Days Parade and the Veterans Day Parade in Auburn.

We often represent our Post by presenting the Colors at events like the Annual USO Charity Golf Tournament

and Ceremonies at Emerald Downs.

If you would like to be part of the Post 6785 Honors Color Guard, please contact Alan B'Hymer at [alanb91100@aol.com](mailto:alanb91100@aol.com) for information.

### Honor Guard

#### Scott Eliason

The Post has maintained an Honor Guard to present final Military Honors for veterans at least since the forming of the Panther Lake Post 11329 in 1991. The Kent Post 6785 and 11329 merged in 2008, continuing as Post 6785. Kent Post 6785 was reconstituted in 1978 but is not thought to have had its own honor guard. The Post has been providing Honors at Tahoma National Cemetery since it opened on 1 Oct 1997. Construction of the National Cemetery had started in 1993.

Our commitment to Tahoma National Cemetery is currently to provide Honors services on the first and second Thursday of each month. We share the duty day with the Kent Disabled American Veterans (DAV). DAV works mornings and we take the afternoons, most times. If there are only a few services, then DAV takes the first Thursday and 6785 does the second Thursday.

In April the Post was represented cumulatively by 23 members and provided 28 military honors. A total of 68 hours of member time was spent and members drove a total of 338 miles during the month. A large percentage of all honors this past month are the result of the efforts of Gary Smith.

One of our members, Gary Smith, tries to be available for all Navy services, and pipes remains aboard as the service starts and again as the remains are removed. He wears his Navy uniform and performs Bos'n's duties.

In February of this year the Honor Guard did a service for a veteran interred at Bonney-Watson, just east of SeaTac Airport, and we get calls for services away from Tahoma pretty regularly.

## VFW Post 6785 Newsletter Quarter 3 - 2021

### Honor Guard – Continued

The Post maintains a budget line for the Honor Guard which underwrites the costs of uniform items and other expenses. The funds come largely from donations from families of the veterans and some from funeral homes. The Post Honor Guard fund either provides or reimburses for the jacket, and provides shirts, neckties, patches, pins and other accoutrements, garrison caps and a broadbrimmed hat. Shoes, socks, and gray trousers are considered personal items and the member provides them.

We can always use new members young and older, men and women, especially as some of us old coots get older. Even if you are still in the workforce, many of the services we are asked to provide are on weekends. Many of our members also serve when we need Color Guards, or other ceremonial events, such as parades and the Tahoma Memorial Day and Veterans Day celebrations. The Post Honor Guard Needs YOU! If you have questions about joining, contact the Honor Guard Chairperson, Scott Eliason, at 206-310-4157. Leave your name and number if your call goes to voicemail, please.

### 2021 Annual Fund Drive VFW Post 6785

Our Post works hard to serve our veterans, the military, and our Community. We continue to provide Honor Guard Burial Services for deceased veterans. We continue to support the

VFW National Home for children. We continue to provide Bingo at the VA Hospital, and most of our other normal events of support. However, one thing we have not been able to do during this Pandemic is our normal fundraising activities. Our fundraisers help provide the money needed to provide this support. Without the income from these activities, we could use some financial assistance!

Please consider making a contribution to the Post to help out. If you are able please send a check, payable to VFW Post 6785. Please mail to:

## **WANTED: RED BLOODED VETERANS**

**Rick West**

The Puget Sound area is experiencing critical blood shortages caused by the COVID pandemic. Local blood banks have sent out emergency requests for donors. Type O blood is especially needed. In many cases blood banks have less than a 24 hour of blood to be used for patients. Now is the time for those of us who stepped up in the past to serve our country, to again roll up our sleeves. This time to give up a pint of the red stuff.

The good news is that donating blood in the era of COVID is perfectly safe. The blood banks are zealous in protecting the blood supply and donors. Blood banks no longer allow walk-ins so it's imperative that donors schedule appointments. Also noteworthy is that blood banks have streamlined the donor review process. You can now fill out the required questionnaire on-line on the day of donation and voila, you save ten minutes right off the bat.

Even better yet, the goodies given at the conclusion of the blood donation are still available. I gotta admit the post-donation snacks are my favorite part of donating blood. In fact, truth be known, I always smuggle out a cookie for two for my wife, after all it is her cooking which make me

so vibrant. As I drive off into the sunset after donating, I often wonder about the lucky person who going to receive my blood. I picture him or her waking up in their sick bed thinking "Gee why do I feel so smart and chipper today, could it be that blood donation?" On a serious note: My family members have had to receive

donated blood on two occasions, so it means a lot to be able to donate blood, it is one way I can say thank you. In summery donating blood is very easy to do and the donation will probably save someone's life. Don not forget to let the post surgeon know you have donated as the VFW keeps a record of the number of donations our post makes.

You can schedule a blood donation at:

Cascade Blood Works; 877-24-BLOOD  
 Blood Works Northwest; 800-398-7888

## **Adopt A Road**

**TJ Williams**

Here is a fun opportunity to volunteer and get to know some of your fellow Post members. We have adopted a very nice stretch of road right off of one of the three main entrances to Kent, near the 84th Street exit. Our Post will be picking up litter 4 times a year. We will be furnished grabbers and gloves, so there is not so much bending down and we keep our hands clean. Large heavy duty trash bags will be provided by the City of Kent. We will be meeting at Commander Craigs Home on 93rd South (21920 93rd Ave S Kent WA 98031) where there is plenty of parking with backup parking on 92nd Street. It is a good area where your car will be secure. We will provide a shuttle for you and your equipment to the start of your pick-up route and pick you up at the end to deliver you back to your parked car. Your whole commitment is probably less than two hours. Our stretch of clean roadway is protected with sidewalk on one side and a large paved area on the other side. For safety we will be working on Thursdays to be announced starting at 10 AM. The route starts at the bridge over Harrison Creek on 218th and follows 218 West to the turn south where it becomes 88th Ave South. If we have enough volunteers, we will pick up all the way to the rear of Carpinitos. Come on out, it feels good to do something about the trash that destroys the beauty of our city.

## Adopt A Road – Continued

If you wish to volunteer please reach out to the post.

## Chaplain William Lyons

With the Covid situation this year, it has been a trying year to see and visit those in need of prayer and fellowship. VFW post 6785 has had its share of grief and struggles.

We continue to honor our deceased veterans at Tahoma Cemetery every month. We try to monitor our older WW2, Korean and Vietnam vets for their health and wellbeing.

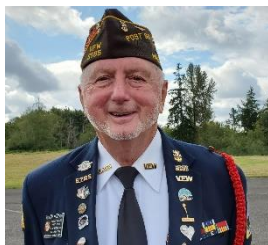

With the advent of our new newsletter, we hope to be able to stay in touch with our brothers and sisters and to give them the information they may need to get assistance they may require.

Please keep the Chaplain's site aware of anyone who needs help or needs met.

God Bless you all.

## USO Ken "Pepsi" Przepiora

Well, the USONW at SEATAC is finally opened after 12 months of closure. The Port of Seattle gave us the OK four weeks ago, but with limited openings. We are now opened 3 days a week from 1200 hours to 0600 the next morning. So on

Monday, Wednesday and Saturday we are filled with the Rotator flights to all points west.

As for the Mobil units, we are actively doing pier side deployment at Everett Naval Base, Bremerton Naval Shipyards and Banger Sub Base. We at Shali Center have been active with the Kids from JBLM who took part in a Teen Hike event held in partnership with the Travis Mansion Foundation. Also, there were plenty of hot dogs to go around during the 62nd Wing Easter event for the children at the Shali Center. The 62nd Wing celebrated Month of the Military Child with

help from our Mobile Events Center. The Shali Center also hosted families from McCord AFB during an Easter event. McCord AFB families received Easter candy from the USO Northwest volunteers.

Other events at the USO Northwest include ringing the dinner bell for another No Dough Dinner and giving away Chick-fil-A meals to our Fort Lewis USO at the end of May !! The line starts forming at 1545 and food will be distributed until we run out so make sure you're there for some tasty grub!!

Save these dates:

- July 22: USO Virtual Poker Challenge
- Aug 19: Stars & Stripes Golf Tournament; Aurora, OR
- Sept 23: Red, White & Blue Golf Classic; Newcastle, WA
- Oct. 16: Five-Star Gala and Auction; Renton, WA

post website – how they are used and how you can use them as a resource.

First, let's talk a little about the Home page – as of the time I am writing this, the Home pages look like:

The Home page is updated with content whenever I get information that is worth posting. While the viewer can scroll down and see historical posts, the latest is always front and center. If you have something you would like to have posted on the home page, just send me any images and any write up you have about the post, and I can put it online for you. We can link to videos or pictures or just post text – whatever gets your point across. It does not just have to be events either – we can celebrate activities, wins, and any information that members might find useful.

The menu on the right-hand side rarely changes and is where you can sign up for email notifications, so you will get notified when new home page updates are made.

The Menu is a good place to spend some time exploring. This is where all kinds of pages exist to provide information and direction about different post activities and people. I try my best to keep it updated, but please let me know if you find outdated information that needs to be updated.

One Menu item you might find useful, is the member document page.

If it is your first time visiting the member document page, it will ask for a password. Once the password is entered you will be taken to the Documents page.

### Honor Flight – Continued

Sept. 18-20, 2021

Oct. 9-11, 2021

Oct. 16-18, 2021

I will be keeping you updated with additional information as it becomes available, but please mark these dates on your 2021 calendar before your calendar fills up. With three trips we are going to need more support for our Veterans than ever before on Saturday mornings for the outgoing flights and Monday evenings

for the arrivals of the Veterans. Please contact me if you have any questions. Stay safe and healthy.
